

# Marine 100 Amp Ship to Shore Cable Sets

# HUBBELL

Hubbell Marine was the first to offer marine grade 100 Amp pin & sleeve devices. Having recognized the need and growing demand for 100 amperage shore power devices, Hubbell worked with the National Electrical Code and American Boat and Yacht Council to standardize on these devices. Now Hubbell Wiring Device-Kellems is offering a complete system of 3, 4 & 5

wire 100 Amp cable sets for your shore power requirements. Using Hubbell marine pin & sleeve devices, long considered second to none, the new 100 Amp cable set offering will allow you to access the power that you need from a cable set that is now manufactured under factory controlled conditions.

Features	Benefits
<ul style="list-style-type: none"> <li>• Factory assembled</li> <li>• 100 Amp pin &amp; sleeve devices</li> <li>• UL Listed 100 Amp cable</li> <li>• Breadth of line</li> <li>• 100% inspection</li> </ul>	<ul style="list-style-type: none"> <li>• Reliable and consistent terminations.</li> <li>• Rugged, watertight, UL listed, corrosion resistant.</li> <li>• High visibility yellow, STOW cable, 105° C rated, and UL listed.</li> <li>• Available in 75, 100, and 125 ft. lengths with and without a neutral. Fifty foot extension cords also available.</li> <li>• Each cable set will be tested to ensure a quality performance.</li> </ul>
